

2020 CONFERENCE

San Diego, California USA

April 19-22, 2020

LET YOUR EXPERTISE SHINE AS A PRESENTER OR SESSION DEVELOPER

This year's theme is *"Vision of Packaging and Converting: Seeing Beyond 2020"*

The 2020 TAPPI International Flexible Packaging and Extrusion Division Technical Program Team is actively seeking technical presentations, panels, tutorials, roundtables, case studies, and papers from the packaging and academic community to be presented at the [Division Conference](#) which will take place April 19 – 22, 2020 at the Intercontinental Hotel in San Diego, California, USA.

**Interested in being a session developer or know someone who would be a great presenter?
Have a topic you want to submit a paper on? Volunteer as a Session Developer or
submit an abstract *before* September 23, 2019.**

What Session Developers Do

As respected professionals in the flexible packaging and extrusion field, you intuitively know the topics that are foremost on your colleagues' minds. What are the new innovations? How can I help my company advance? What technologies can be put to use for sustained advantage?

If you know experts in the field who would be interested in presenting on the topics below and are willing to contact them and invite them to present, you should consider becoming a Session Developer.

- Processing Productivity and Efficiencies
- Ecommerce Packaging
- Advances in Sustainable Packaging
- New Pouch Technologies
- Advances in Correlated Packaging

Not only is this an opportunity to share your expertise with colleagues, your participation as a Session Developer and subject matter expert is featured in conference materials.

Contact [Darrell Landry](#), Program Chair, or [Robert Dawson](#), TAPPI Division Manager, ***before Monday, September 23, 2019.***

Submitting Abstracts

Not interested in being a session developer? Giving a presentation might be just right for you. Review our list of suggested topics above or share your expertise on a topic you prefer. Abstracts are due for review by the Technical Program Committee by **September 23, 2019**.

Abstracts should be at least 50 words and must be submitted through the secured [TAPPI Speaker link](#). Acceptances are issued by September 13, 2019. Technical papers are optional but if you choose to include a paper they are due on or before **February 10, 2020** and PowerPoint presentations are due on or before **March 2, 2020**.

If you need help submitting your abstract into the system please contact: Pat Stiede, TAPPI Content Management Specialist, pstiede@tappi.org 770-209-7214
