Sponsorship Opportunities for 2020 International Flexible Packaging and Extrusion Division Conference - http://events.tappiflexible.org
April 19 – 22, InterContinental Hotel, San Diego, California, USA

□ Evening Event aboard the USS Midway $15,000

Tuesday, April 21st 6:30 PM – 9:30 PM  Imagine a US Navy aircraft carrier that served America from the end of World War II until the liberation of Kuwait at the dawn of the twenty-first century. Welcome to the USS Midway Museum, where you will enjoy a once-in-a-lifetime experience aboard a ship commissioned for almost fifty years. It was the only Navy ship to serve the entire length of the Cold War and beyond. For a decade, the largest ship in the world, and the first navy ship too large for the Panama Canal, it still dwarfs the San Diego waterfront. You're invited to walk along the footsteps of an estimated 100,000 young sailors who served in times of peace and in troubled seas. Today, the USS Midway Museum has embarked on its final deployment as a naval aviation museum. In 15 short years, it has become the most-visited ship museum in the world. Even more remarkably, it has become the fifth-most popular museum of any type in America on TripAdvisor. Welcome and enjoy your time aboard!
